RN Case Manager - Sign on Bonus up to \$5000.00

We are seeking an independent, and energetic RN Case Manager who can make a difference in the lives of our patients. This is a full-time, benefited opportunity for a motivated RN who enjoys interaction with patients and families.

The Registered Nurse Case Manager plans, organizes and directs hospice care under physician's orders and in cooperation with the Clinical Supervisor and other Interdisciplinary Group members. As described in the patient's Plan of Care, the Nurse Case Manager is responsible for direct patient care that meets the needs of hospice patients, caregivers, and family members. Care is provided in the patient's place of residence whether it is a private home, a residential care facility or a skilled nursing facility.

A Current California RN license and a minimum of one year of acute or SNF care experience preferred. Hospice experience a plus. Driver's license, drug screening and background check will be required.

Palliative Care Nurse – Sign on Bonus up to \$5000.00

Our Lake Palliative Care program is seeking an independent, and energetic RN who can make a difference in the lives of our patients. This is a full-time, benefited opportunity for a motivated individual who is dedicated to improving the quality of life of chronically ill patients and families/caregivers.

The Palliative Care Nurse plans, organizes and directs palliative care activities with patients in collaboration with the other Palliative Care team members and the patient's primary care provider. Care, education, and consultations are provided in the patient's place of residence whether it is a private home, a residential care facility or a skilled nursing facility.

A Current California RN license and a minimum of one year of acute or SNF care experience preferred. Palliative care experience a plus. Driver's license, drug screening and background check will be required.

Clinical Supervisor - Sign on Bonus up to \$5000.00

Hospice Services of Lake County has a dynamic, full-time opportunity for a leader to supervise our clinical and interdisciplinary Services.

The Clinical Supervisor is responsible for oversight of patient services including coordinating care with the interdisciplinary team of medical director, registered nurses, licensed vocational nurses, social workers, ancillary professionals, and nursing administration support staff. This position oversees practices to ensure regulatory compliance and delivery of compassionate care to patients, caregivers, and family members.

Qualifications: This position requires a Registered Nurse license in the state of California. Three years of management experience is required along with the demonstrated ability to supervise and direct professional and administrative staff. A Current driver's license and reliable transportation is necessary. Criminal background check and drug screen will be required upon offer of employment.

On Call RN - Week Nights

We are seeking an independent, energetic, flexible On-Call RN who can make a difference in the lives of our patients. Our On-Call RN will provide sick/vacation, and weeknight on call coverage.

Under physician's orders and in cooperation with other team members the On-Call Nurse is responsible for responding to needs and coordinating care provided to the patient, family, and caregiver in the patient's place of residence. The On-Call Nurse responds to patient calls that are unable to be resolved by the call center nursing staff.

A current California RN license and a minimum of one year acute care experience is also preferred. Hospice experience preferred. Driver's license, drug screening and background check will be required.

Hospice Services of Lake County & Lake Palliative Care provides competitive pay and generous benefits. Please send your resume to jscitron@lakecountyhospice.org or fax to (707) 263-6277 to be considered for this opportunity.
